2. Seriennummer (ID), „ID Type“ und „Type“ korrekt eintragen.

- Die Parameter „ID Type“ und „Type“ sind der o.g. Beschreibung zu entnehmen und für jeden FMS Stick gleich!
- „Device Name“ und „Site Name“ sind frei wählbar
- Registrierung mit „Create“ abschliessen

Download Capability Resources

Feature Name	Status	License Order Number	No Features Mapped	Expiration	Downloadable Items
Critical Control	License generated	TDE#1802263510005282151 (518417072)	6	Permanent	None
Virtual Station	License generated	TDE#1802263510005453179 (520050507)	3	Permanent	None
Process Control	License generated	TDE#1802263510005151962 (579102087)	2	Permanent	None
Virtual Station	License generated	TDE#1802263510005195559 (603050157)	3	Permanent	None
Gradient	License generated	TDE#1802263510005774454 (592078127)	3	Permanent	None
Critical Control	License generated	TDE#1802263510005199715 (592058772)	2	Permanent	None
Virtual Station	License generated	TDE#1802263510005324179 (522501057)	5	Permanent	None

4. Bei der gewünschten Lizenz die Anzahl eingeben und die Eingabe mit „Map Features“ bestätigen
➔ Achtung: Wenn eine Lizenz durch „Map Features“ auf einen Stick übertragen wurde, kann diese durch einen Techniker nicht mehr zurückgenommen werden. Lizenz ist dann an den FMS Stick gebunden.
➔ Rücknahme solcher Lizenzen nur durch Tickets möglich die nach Schweden eskaliert werden (ASP: D. Eberhardt / S. Menne)

The screenshot shows the 'Map Features' page in the Atlas Copco License Portal. The page has a sidebar with navigation links like 'License Portal', 'License Activation', 'Administration', and 'Get Help'. The main content area is titled 'Map Features' and includes a search bar with 'Add-Ons for Server 730647'. Below the search bar, there are input fields for 'Activation Code', 'License Order Number', and 'Feature Name' (set to 'Any'). A 'Search' button is present. Below the search fields, there is a table with columns: 'Feature Name', 'Activation Code', 'License Order Number', 'Expiration', 'Available Units in Line Item', 'Total Units in Line Item', and 'Qty to Add'. The table lists two items: 'Critical Control' and 'ToolsTalk 2 Line Configurator 1 CC'. Below the table, there is a 'Map Features' button.

Feature Name	Activation Code	License Order Number	Expiration	Available Units in Line Item	Total Units in Line Item	Qty to Add
Critical Control	3673-4E32-40ED-96DE	TDE#1902263610008245797 (580226417)	Permanent	6	6	1
ToolsTalk 2 Line Configurator 1 CC	B465-4D76-4B04-7A4F	TDE#1902263610009198715 (580226477)	Permanent	2	2	

5. Mit „Download Capability Response“, wird eine Datei auf den PC runtergeladen.
Der Dateiname ist immer die Seriennummer des FMS Sticks + die Endung .bin
Also hier in dem Beispiel: 730067.bin
Diese Datei auf den FMS-Stick, der im Arbeitsplatz als „USB-DISK“ angezeigt wird, ins Hauptverzeichnis kopieren.
Wichtig!!! Die Datei oder den Inhalt des Sticks auf keinen Fall verändern!

The screenshot shows the 'View License Manager or USB Device' page in the Atlas Copco License Portal. The page has a sidebar with navigation links like 'License Portal', 'License Activation', 'Administration', and 'Get Help'. The main content area is titled 'View License Manager or USB Device' and includes a section for 'License Manager Type Description' with details like 'ID: 730047', 'Type: PUBLISHER_DEFINED', 'Device Name: Helmut Jansen', and 'Site Name: Krone'. Below this, there are links for 'Map Features', 'View History', 'View Served Clients', and 'Download Capability Response'. Below the links, there is a table with columns: 'Feature Name', 'Status', 'License Order Number', 'No Features Mapped', 'Expiration', and 'Downloadable Items'. The table lists several features: 'Critical Control', 'Virtual Station', 'Process Control', 'Virtual Station', 'Gradient', 'Critical Control', and 'Virtual Station'.

Feature Name	Status	License Order Number	No Features Mapped	Expiration	Downloadable Items
Critical Control	License generated	TDE#1902263610008245797 (580226417)	6	Permanent	None
Virtual Station	License generated	TDE#1902263610008245797 (580226417)	3	Permanent	None
Process Control	License generated	TDE#1902263610009198715 (580226477)	2	Permanent	None
Virtual Station	License generated	TDE#1902263610009198715 (580226477)	3	Permanent	None
Gradient	License generated	TDE#1902263610008245797 (580226417)	3	Permanent	None
Critical Control	License generated	TDE#1902263610009198715 (580226477)	2	Permanent	None
Virtual Station	License generated	TDE#1902263610008245797 (580226417)	5	Permanent	None
